---

## Eyesavers

Save eyes, make friends. Protect your eyes and those of your fellow pedestrians on the street with smooth edges at the tips of the canopy.

s e n z<sup>°</sup>

---

## Patented Senz° ribs

Designed and tested to withstand strong gusts up to 100km/u. A Senz° umbrella will not let you down in bad weather. Our stick umbrellas, unlike traditional systems, don't even have joints!

s e n z °

---

## Fast-dry canopy

No more dripping on the floor! Thanks to our PU or NANO coating you can shake the droplets off in just one movement.
